**INVESTOR
PRESENTATION**

ABOUT HEKTAŞ

HEKTAŞ TİCARET TÜRK A.Ş., a well-established agrochemical company developing products and solutions for the agricultural sector, was founded in Adana in 1956 with the knowledge and contributions of Turkish chemists, pharmacists and agricultural engineers. With over half a century of expertise in crop protection, plant nutrition, and seed technologies, HEKTAŞ delivers environmentally friendly and productivity-oriented solutions that support sustainable agriculture. The Company consistently advances its initiatives to improve the efficiency and sustainability of agricultural production.

FOREIGN

It has been a year in which the infrastructure work for our strategic overseas investments, which we laid the foundations for in the past, has accelerated.

OUR BUSINESS AREAS

PLANT PROTECTION

- ❖ Hektaş, Ferbis & Sunset with Turkey's market leader.
- ❖ By producing plant protection products, it contributes to reducing Turkey's dependence on foreign markets over time.
- ❖ With Hektaş Asia LLC, it will become even closer to the Turkish Republics in the field of plant protection.

PLANT NUTRITION

- ❖ Entered the market in 2017.
- ❖ With organomineral and new generation plant nutrition products, it holds a place in the sector.
- ❖ It is continuously expanding its product portfolio.
- ❖ With Hektaş Asia LLC, it will become even closer to the Turkish Republics in the field of plant nutrition.

SEEDS

- ❖ Entered the market in 2017.
- ❖ In 2019, Areo Tohumculuk production was acquired
- ❖ Hektaş aims to be a pioneer in the market with the Hektaş Tohum brand.
- ❖ In 2022, it became the major partner of Agriventis Technologies. (Australia)
- ❖ Seeds will be produced with Agriventis for drought tolerance.

HEKTAŞ shares started 2025 at TRY 3.91 and closed the year at TRY 3.06, representing a 22% decline.

As a result of the efforts carried out in 2025, the **Company qualified for inclusion in the BIST SUSTAINABILITY INDEX as of the first quarter of 2026.**

In 2025, the Company continued to be classified as a **“First Group” company.**

In 2025, **it was also included in the “FTSE Index”** traded on the London Stock Exchange.

In 2025, it was also included in the **“MSCI Turkey Index.”**

SUSTAINABILITY

A Historic Achievement in Sustainability!

With its strong ESG performance, **HEKTAŞ** ranked second in the world!

As a result of the efforts carried out during the year, **HEKTAŞ** qualified for inclusion in the **Borsa İstanbul Sustainability Index** as of the first quarter of 2026.

In the ESG sustainability assessment conducted by the London Stock Exchange Group (LSEG), **HEKTAŞ** ranked second globally in its sector, achieving a first in Türkiye. As a result, having met the required criteria for inclusion in the Borsa İstanbul Sustainability Index, HEKTAŞ became the first company in its sector to be included in the index.

During the year, the 2024 **TSRS-Compliant Sustainability Report** and the 2024 **GRI-Compliant Sustainability Report** were published.

SUSTAINABILITY

Acting with the vision of being a pioneer of sustainability in the agricultural sector, HEKTAŞ demonstrated that it has a strong sustainability culture.

Our objectives within this scope include:

- Efficient use of resources
- Low carbon footprint
- Responsibility toward future generations
- Environmentally conscious, innovative and responsible production

Through its R&D activities aligned with its vision of delivering innovative solutions, HEKTAŞ has assumed a leading role in Türkiye's agricultural sector and demonstrated a distinctive performance with its sustainability approach.

In the ESG sustainability assessment conducted by the London Stock Exchange Group, **HEKTAŞ ranked second in the agricultural chemicals category with a score of 78.**

With this achievement, **HEKTAŞ became the first company in the Agricultural Chemicals sector to be included in the Borsa İstanbul Sustainability Index.**
